§ 630.911 Restoration of transferred annual leave.

(a) Under procedures established by the leave recipient's employing agency, any transferred annual leave remaining to the credit of a leave recipient when the medical emergency terminates shall be restored, as provided in paragraphs (b) and (c) of this section and to the extent administratively feasible, by transfer to the annual leave accounts of leave donors who, on the date leave restoration is made, are employed by a Federal agency and subject to chapter 63 of title 5, United States Code.

In no case shall the amount of annual leave restored to a leave donor exceed the amount transferred to the leave recipient by the leave donor.

(d) If the leave donor retires from Federal service, dies, or is otherwise separated from Federal service before the date unused transferred annual leave can be restored, the employing agency of the leave recipient shall not restore the unused transferred annual leave. If (e) At the election of the leave donor, unused transferred annual leave restored to the leave donor under paragraph (a) of this section may be restored by—

(g) Transferred annual leave restored to the account of a leave donor under paragraph (e) (1) or (2) of this section shall be subject to the limitation imposed by 5 U.S.C. 6304(a) at the end of the leave year in which the restored leave is credited to the leave donor's annual leave account.

(h) If a leave recipient elects to buy back annual leave as a result of claim for an employment-related injury approved by the Office of Workers' Compensation Programs under 20 CFR 10.202 and 10.310, and the annual leave was leave transferred under § 630.906, the amount of annual leave bought back by the leave recipient shall be restored to the leave donor(s).
